On behalf of the entire Board of Directors of Edgewood Cemetery, we'd like to thank you for another year of providing the necessary support for the ongoing maintenance and upkeep of our cherished Edgewood Cemetery. Truly, thank you. To keep up with this continued, day-to-day work at Edgewood, we humbly ask that you consider a gift of financial support to keep this memorial space a community treasure as it has been since 1865.

Our standard of care and maintenance at Edgewood is incredibly important to the success of our cemetery, and we are thankful that we are able to continue to exceed those expectations each year due to your donations. Additionally, your generous funding helps us complete improvement projects such as year-round landscaping at our front gate. We have even been able to hold such past events to honor your loved ones during Veterans Day and the holidays. We hope to continue such events as time and volunteer staffing allow.

Also high on our agenda is taking care of the less traveled, historic sections of the cemetery, as well as looking into repairs for our roadways throughout the rolling hills of Edgewood. We also consistently improve the panoramic views at Edgewood with exciting landscaping and trimming. As we continue to look forward to the future, we are continuously updating our website: [www.edgewoodcemeterychillicothe.com](http://www.edgewoodcemeterychillicothe.com). Our website includes working copies of the burial database and section maps of our cemetery. We also include important updates on our Facebook page: [@edgewoodcemeterymo](https://www.facebook.com/edgewoodcemeterymo).

The Board of Directors appreciates your support and looks forward to your continued input and guidance. We are happy to answer questions through the address above or through the contact page on our website.

Sincerely,  
Edgewood Cemetery Board of Directors

I would like my funds directed toward the following fund:

**Tree Fund** – These funds are used exclusively to purchase new tree plantings.

**Operations Fund** – This fund is used for mowing and trimming as well as all repairs and maintenance required in the physical area of the cemetery. All donations not otherwise specific are placed into the Operations Fund.

**Endowment Fund** – This money is deposited into a permanent endowment account wherein the principal money cannot be used for expenses listed above, but only the investment interest may be used for operations expenses as needed. A gift toward our Endowment is one that is not necessarily usable right away but offers impactful giving for years to come.
