Upcoming Events & Updates

Memorial Day Weekend: Edgewood Cemetery is adorned with flags for our Veterans, and we spend the weekend remembering those we’ve lost. Our tree fund drive also begins then in an effort to jumpstart our tree plantings for the year.

Other Events: It is our goal to honor our Veterans again this Veterans Day. Please check our social media for more info.

Burial List: Did you know that our website, www.edgewoodcemeterychillicothe.com has a burial list that is updated almost daily with new information? Please check out the “burial list” tab to see what our sextant has been regarding all of the information that our cemetery has to offer.

Want to reduce paper waste by using your E-Mail address?

To reduce mailing costs, and in an effort to end unwanted paper mailings, we now offer the ability to receive your letter electronically. If you would like to receive your annual letter by e-mail, please provide it below.

Can you help us prepare? Families leave the local area over time, and we lose the ability to consult with them. This form will assist the Edgewood Staff in finding a contact person when a need arises if there is a question about a family site.
